High School at last.....

[illegible]

*The 1960 Chieftain
Seminole High School
Seminole, Oklahoma*

Time Marches On...

Through the halls of Seminole High, Time roams constantly. It walks with us between classes. It sits with us during assembly. It is our ever-present mascot at every football and basketball game. Yes, Time marches on.

Many of us have been friends all through our school years, through grade school, intermediate, and now high school. We have many fond memories of skinned knees, mumps, chickenpox, "discovering" the opposite sex, our first introduction to American history, attending our first dance, receiving our first high school annual, writing our junior research theme, driving the car to school for the first time, trying to choose our career--all of these are memories of the past.

So it ends. We have marched with Time to the ending of our childhood and to the commencement of the great, bright future ahead.

As we march with Time through the '60 Chieftain, let us remember the fun we had in classes, the teachers who have become our friends through the years, the clubs of which we were members, the school dances, the football games, pep assemblies, basketball games, and the many friends who will sign their names on these pages. Let us try to relive the moments captured here which are gone but will not be forgotten.

Dedication

An ideal teacher is one of many characteristics. Besides being an effective teacher, she is also a leader and even more a friend.

Because of your sympathetic understanding and good sportsmanship; because of your untiring work; because of your inspiring leadership and guidance throughout our high school years; because you are "just you", We, the Seminole High School Annual Staff, dedicate this, the 1960 Chieftain, to our friend and Outstanding Teacher of 1958-59, Miss Myrtle Burnett.

Board Of Education

The Board of Education of the Seminole City Schools contribute much to the advancement of education in our community. The school bonds recently voted for a new physical education plant, for additional grade school housing, and building improvements are a vote of confidence in this group of public spirited men who devote their time and energies to the improvement of our schools.

The Chieftain Yearbook is a basic part of the Seminole High School Activity Program. Its proper development is a major activity in itself. Its pages portray, better than any other record, the many fine activities of this school during the year. Seminole High School has had a fine activity program for many years and its success is found in a wide range of activities. You will enjoy the pages of this yearbook many years from today because it will recall to your mind the happy scenes and events that made this school year a success. I am glad to have had a part in your program and I congratulate you for a job well done.

Sincerely,
H. B. Mitchell,
Superintendent

Today is your day and mine, the only day we have, the day in which we play our part. What our part may signify in the great whole we may not understand; but we are here to play it, and now is our time. This we know; it is a part of action, not inaction. It is a part of love, not cynicism.

In youth we should industriously occupy our minds with the attainment of useful knowledge so that as men and women we may apply our knowledge to the discharge of our respective duties to God, our country, our families, our neighbors, and ourselves. Then, we may rest with assurance and happy reflections of a life well spent.

Sincerely,
Homer Adams,
Principal

Mr. Harlan B. Mitchell, Superintendent looks on as Miss Louise Lamont, Counselor and Mr. Homer Adams, Principal check scholastic records.

Student Council

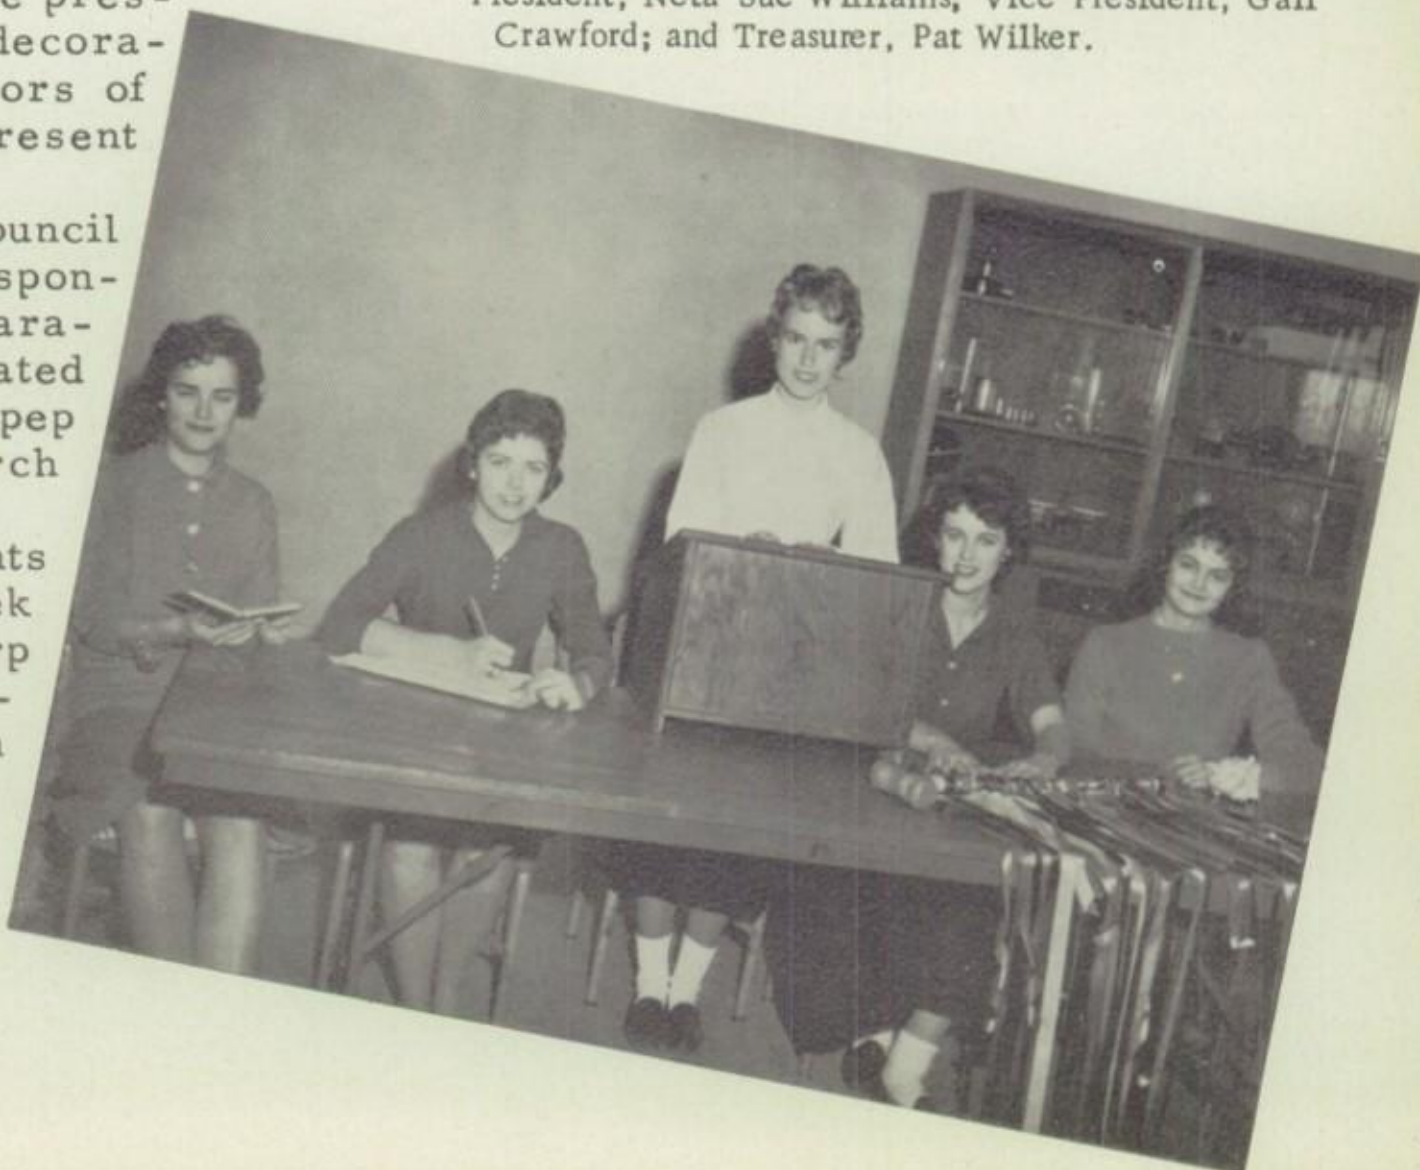

STUDENT COUNCIL--The Seminole High School Student Council served the state as president of the O.A.S.C. during 1959. Neta Sue Williams, state president, presided over the convention and gave the keynote address at Tulsa Edison High School. In the front hall of school is the presidential gravel which is decorated with the school colors of every school that was present at the convention.

At home, the Student Council boosted school morale by sponsoring sock hops and caravans. They also decorated the goal posts, made pep posters, and led the March of Dimes contest.

One of the biggest events of the year was Twirp Week and the election of the Twirp King. During the basketball season the concession stand was also run by various Student Council members.

Each year the Student Council serves the School and tries to improve SHS.

Leading the Student Council are its officers, Parliamentarian, Diane Carruth; Secretary, Carole Harris; President, Neta Sue Williams; Vice President, Gail Crawford; and Treasurer, Pat Wilker.

Big Chief reporters learn the real mechanics of a newspaper as they watch another paper roll off the presses. Watching the action are Sheila Cummings, Fran Cox, Shirley Scott, Sandra Devore, and Susan Green.

The BIG CHIEF staff, under the able supervision of sponsor Mrs. Edith Mills and editor Vicki Thomas, is one of the busiest organizations at SHS. Each month they publish an informative and entertaining issue of the BIG CHIEF for the students at SHS.

Preparing the advertising and copy for the "Big Chief" are Brenda Goss, Mary Ann Diggs, Vicki Thomas, Brenda Sloan, Patsy Wilker, and Linda Collins. Bill Moreland and Bill Miles discuss the sports' section as Tomy Wade explains his camera to Mrs. Mills.

Seminole High School Students were privileged this year to hear a debate between the O. U. debating team and these West Point cadets at a special assembly.

"A debater is always Wright!" Here Larry Wright, Senior debater, displays one of the many trophies brought to Seminole by this year's debating teams.

And Debaters Were Tops!

Top team members Larry Wright and Rockie Smith discuss the current debate question before the debate class. Listening attentively are: First Row: Mike Pippin, David Smith, Vernon Paul Staley. Student Council members hostess the Holdenville exchange students during football season.

The issuing of locks was a sure sign of the beginning of school. Mr. Tinkle and Mr. Dorris were in charge of the distribution.

FALL...Summer sailed by in a breeze and our halls are once again jammed...lost Eighth Graders...upperclassmen who know all the answers...93 very superior Seniors...FOOTBALL!... We're riding the crest of victory..aren't winning streaks great? Homecoming is a time to renew old acquaintances... WOW! Did you see the Football Queen?... the bonfire's HOT and so's our team... "Ouch! Did someone say CONJUGATE?".....so much has come and gone and the year moves on.

Faces Of The Seasons Provide An Ever Changing

Beauty reigned the night Judy Minihan was crowned football queen. Attending her were Carole Harris and Judy Wood. Crown bearer was little Miss Carla Davis.

"What exquisite beauty!" was the cry the day these visiting (?) cheerleaders graced our auditorium. Left to right they are: Kenny Hannah Hot-Lips Speer, Jimmy Henpecked Williams, Bobby Bertha Buxom Bell, Chuck Cynthia Cin Whitson, Larry Barrelhouse Cummings, Eddie Patience Pure Keiser, Houston Brigitte Bashful Bradley, and Allen Cora Country George.

Atmosphere In Our School Life

FALL... October's gone and we have deadlines to meet!... who says Senior girls are too old to go 'trick or treating'?... the band fish fry was the best ever... "Nobody could act THAT silly!"... What on earth is the Renaissance? ...it's TWIRP WEEK... How about a date Friday night?... Hey, there's a CARAVAN at noon!... Easy on that horn... Bring your parents to Open House... meetings galore... How did anyone ever think up those CRAZY pep assembly skits?... Jimmy as a mummy... Eddie as Frankenstein and Larry as a witch!... Thanksgiving is here again with its very welcome holidays... thus another season of a year at SHS passes into history.

"What next?" Coach Ball's face is most expressive as he watches the Chieftains in action. Coaches Green and Oliver share his bewilderment.

An aura of the South Sea Islands prevailed at the second annual Band Fish Fry. Among the entertainment features were the "Sea Hags" Mary Jo Webster, Aileen Grounds, and Betty Chase.

As The Whirl Begins

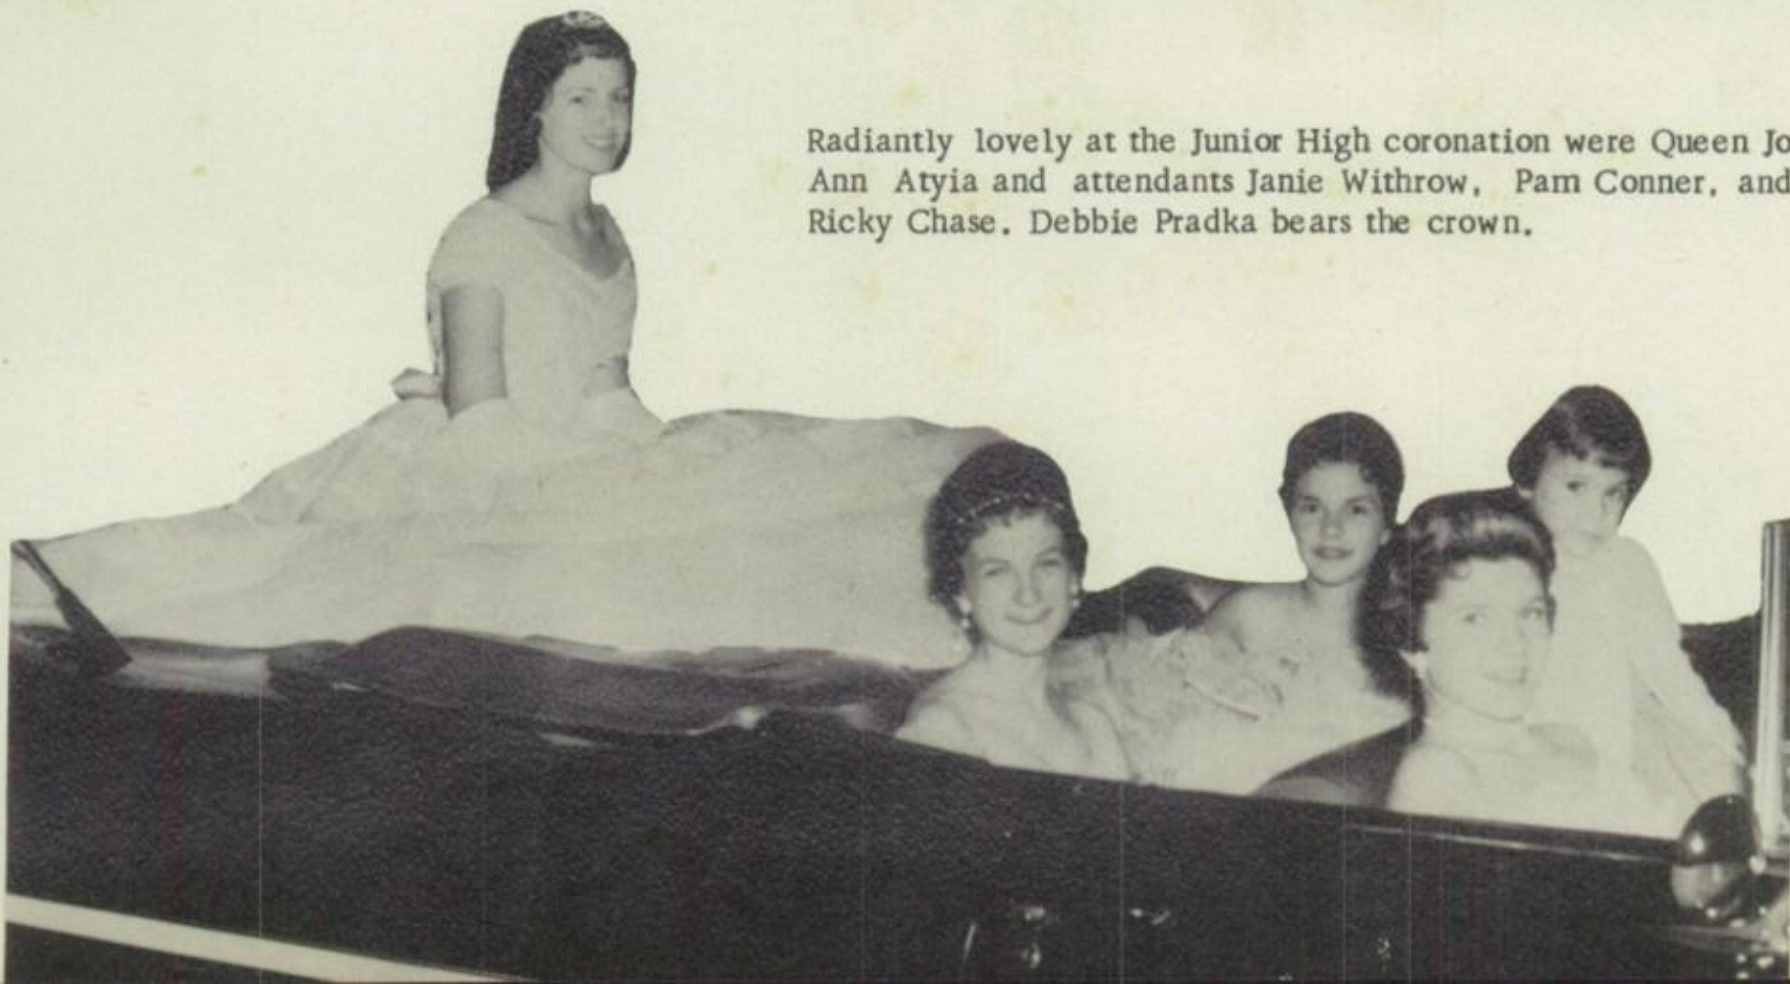

The Yearbook staff turned melodramatic to present "Nellie and her pig" at one of our first pep assemblies. Nellie is portrayed by Larry Wright, the father by Judy Minihan, Brenda Sloan plays the villian, and Vicki Thomas is the hero.

Bobby Bell and friend Pete are ready for quail season.

Radiantly lovely at the Junior High coronation were Queen Jo Ann Atyia and attendants Janie Withrow, Pam Conner, and Ricky Chase. Debbie Pradka bears the crown.

"You are cordially invited to attend...."and here tie and tux replace levis for the Christmas formal.

Wintry Blasts

Instead of their 'love to keep them warm' these snow babies have their moutons.... take cover, Mr. Cameraman!

Big Chief reporters Linda Adkisson, Pat Wilker, Sharon Layton, and Joyce Pickett get the inside story of the mechanics of a newspaper.

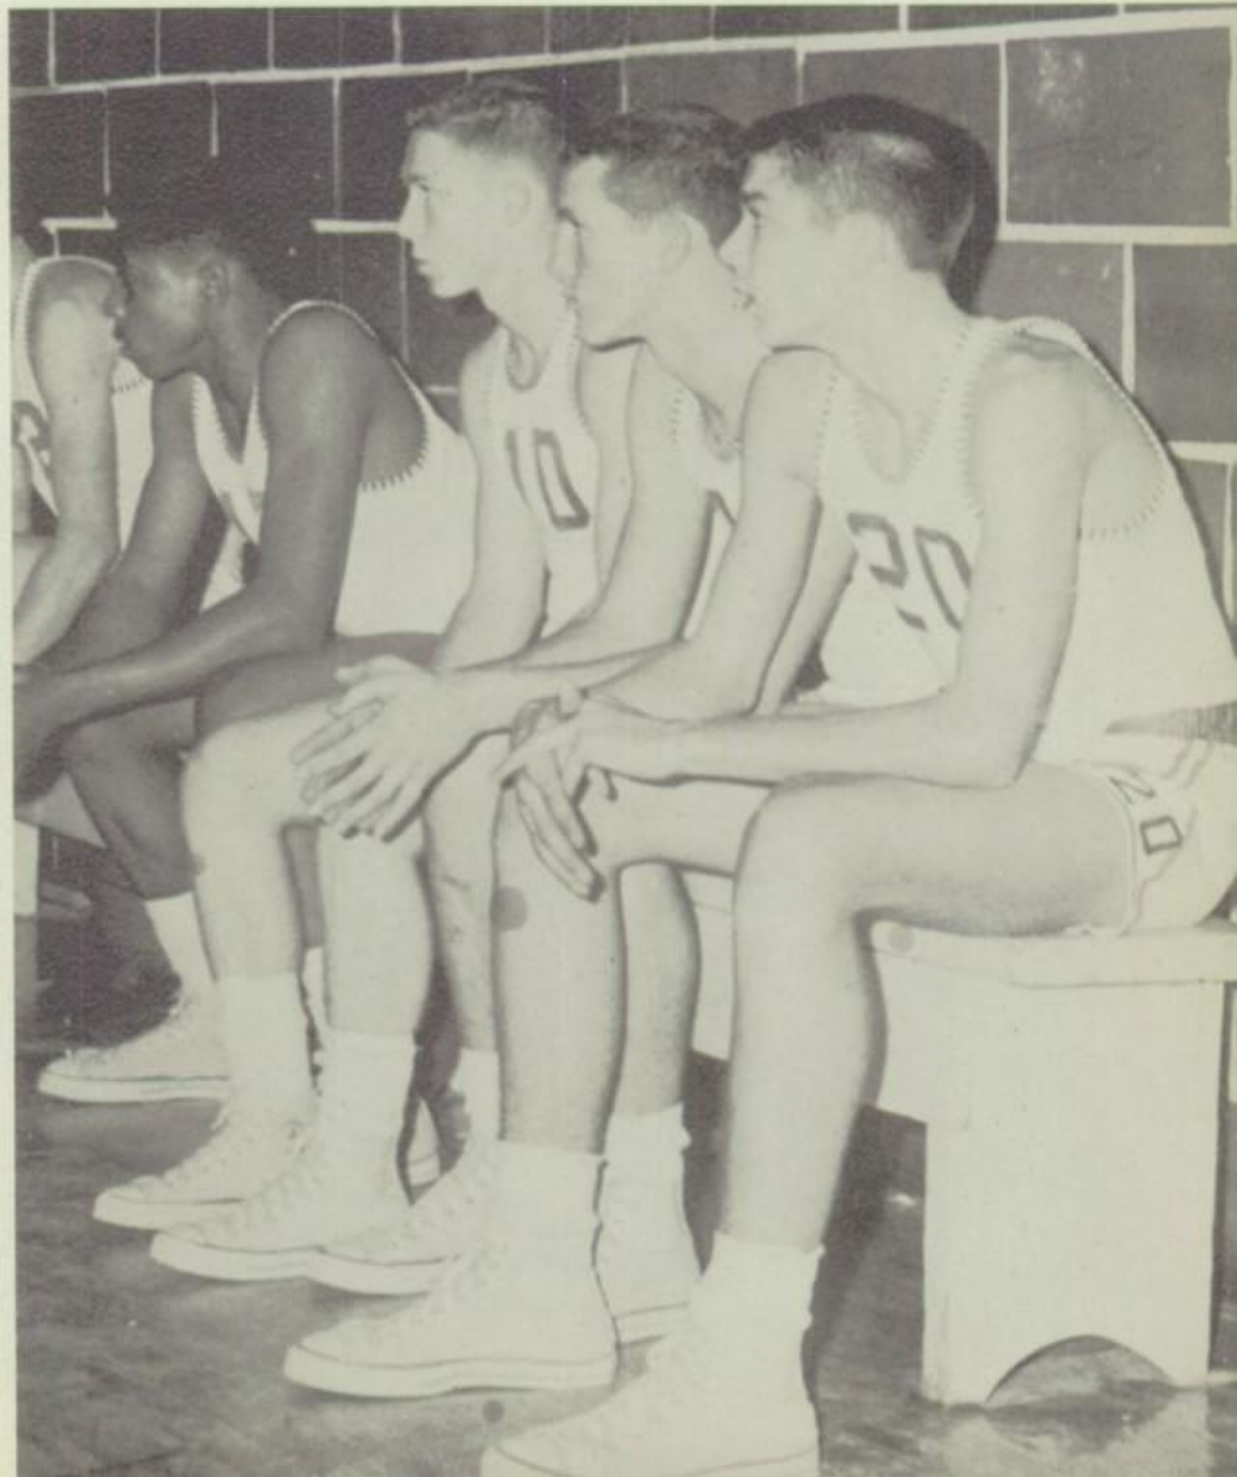

"Pretty sharp, huh?" Melodie McFarland, Carla Raney, Diane Carruth, and Thurman Edwards admire their creation while Eddie Nichols and John Harris relax after a strenuous task. Snowmen received a big boost in population with the winter's first snowfall.

Couldn't Chill Chieftain Spirits

"Come on, fellows--get a lead so we can play." These anxious players are Tommy Colbert, Charles Oliver, Allen George, and Neal Moyer.

WINTER.... The first blasts of the north wind sent us scurrying indoors to basketball games.... "We want a basket!".... the first snow storm covers the ground with a blanket of white.... "Hey, who threw that snowball?".... Then Christmas envelopes SHS in a spirit of friendship and gaiety.... dances... parties... and more dances.... "Don't those boys know how? Or are they just too bashful to ask me?".... Santa Claus (complete with chicken) visited one of our pep assemblies.... The Christmas assembly, and we realized our deep feelings for SHS as Marcia sings "Bless This House".... December 22 found our cafeteria transferred into a fairyland of blue clouds and stars as we dance at "Frosted Fantasy".... The New Year finds us in the midst of a holiday whirl.... and so with more games, assemblies, and even a little studying for semester exams, the winter season continues.

WINTER...February whirls in damp and chilly...."We got a team, nobody prouder!"....the Chieftains bring down second place at the Holdenville and Miami tournaments....Did you read what's in the gossip column?...Hooray, shout the underclassmen when the bond issue for the new physical education building passes...."The Queen is-"....and every last Chieftainette squealed while Buddy crowned Lyndia...."Just look at our pep club now," bragged the cheerleaders after the new rules went into effect... "Here's to the yearbook!"....and gradually the weather grows milder....and the end of winter leaves SHS filled with an air of expectation.

Accused murderer, Howard Moran, hangs his head in shame as Ormal Wilkerson, defense attorney, questions Linda Adkisson. This was one of three trials held by Mr. Dorris's advanced civics classes.

Students Seek Diversions,

The moon was bright, the spirit was high when these couples took to the dance floor at the "Frosted Fantasy" semi-formal dance in December.

Students and faculty members were thrilled when the bond issue for a new physical education building passed.

Always Anticipating

"WOW! IS THAT REALLY BUDDY?" At one of the most beautiful coronations ever held at SHS Miss Lyndia Stratton was crowned 1960 basketball queen. Members of QUEEN LYNDIA'S court were Nancy Osburn and Allen George, Doug Atyia and Judy Minihan, Sherrie Reddin and Doug Morgan, and the queen's escorts, Bill Moreland and Buddy Vance.

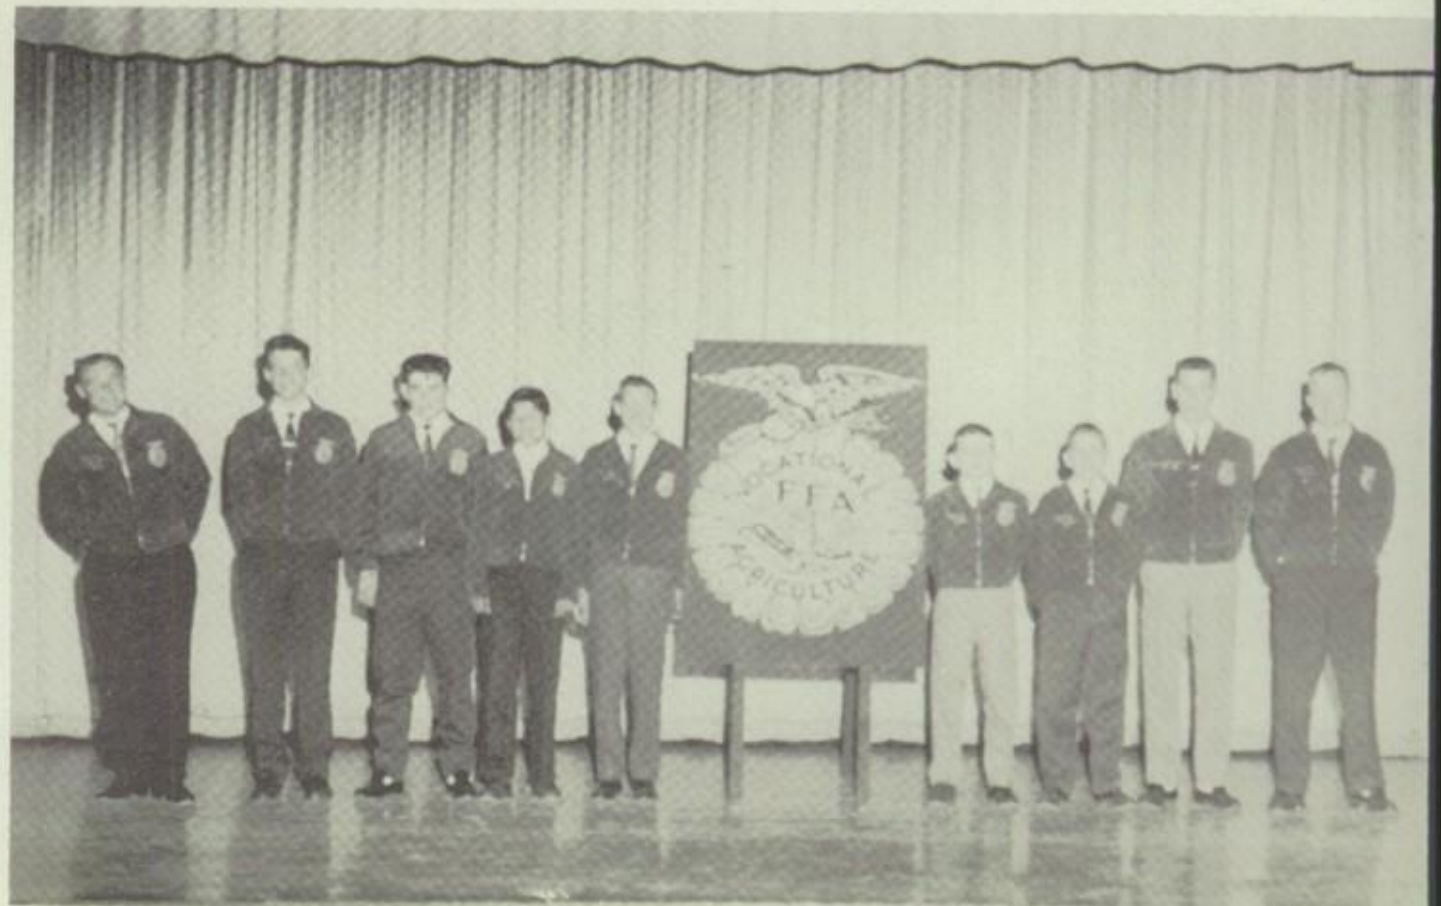

The Wonders Of Spring

QUEEN KAY HAMMON reigns with her court at the FFA assembly. Left to right her court is Max Waller, Judy Wood, Eddie Herber, Sharon Layton, Bill Dickerson, QUEEN KAY, Eddie Hallum, Pam Conner, Glen Osburn, and Sharron Mason.

At a special assembly presented by the FFA these 'Greenhands' gave the meaning of their FFA emblem. The assembly was the first of its kind at SHS and it gave students a better understanding of Future Farmers and their work. These 'Greenhands' are John Harris, Gerald Jolley, Corky Jones, David Loving, Gerald Wilson, Harold Post, Jimmy Hallum, James Miller, and Ronnie Pierce.

Seniors know that "time is running out" when they order announcements and cards.

And The Final Whirl!

SPRING... March winds blow and Seniors are tempted to borrow Eighth Graders' kitesSHS's stage was turned into a Japanese teahouse when geisha girl, Mrs. Mills, and Mr. Mitchell entertained students with the coal miners' dance.... "Gee, I didn't know Mr. Mitchell was a dancer!"Future Farmers are stage struck and present one of the finest assemblies of the year "Wasn't Kay a beautiful queen!" Five members of the band bring honor to SHS by making the All State Band.... "Did the Mixed Chorus really make a I!" ... "You gotta go Chieftains, Yeahman!" ... As SHS cagers win Regionals and head the State Tournament... "Hey, your car has two flat tires!" ... **APRIL FOOL!!!!** The Student Council's Seventh Annual Talent Show is a big hit... The weather turns warm and brings with it bad cases of spring fever and the last month of school for Seniors at SHS.

Buddy Vance, Larry Cummings, Martin Barrett, and Chuck Whitson take advantage of the excellent library facilities provided for students at SHS.

Initiation is over and it's party time for both old and new members of the Future Homemakers of America.

Summer is near and it's time for bathing suits and beach balls. Vicki Thomas and Bill Moreland prepare for a day under the sun.

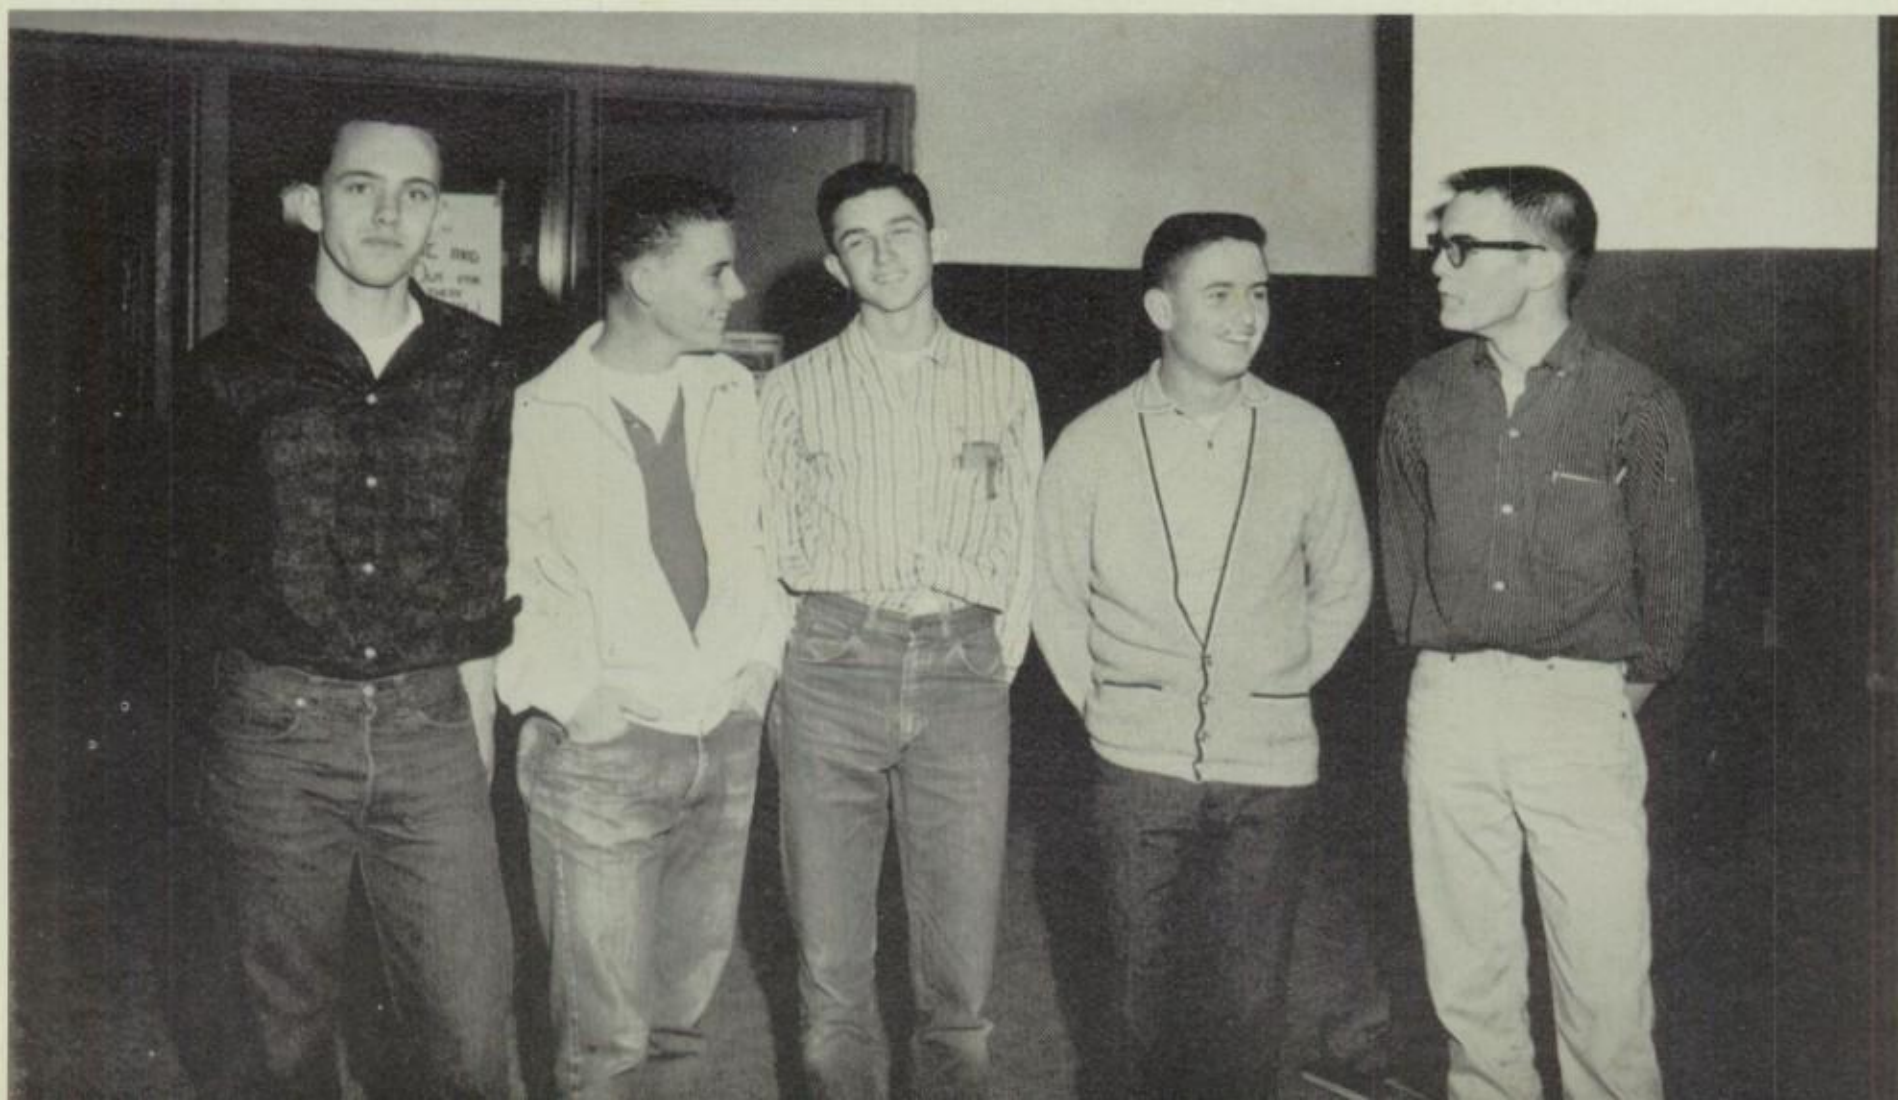

Everyone wants to join the Easter parade. Shown here trying on the latest styles for Easter are Sandy Sandlin, Paula Colling, and Karen Fowler.

SPRING....And then May is here....the banquet and prom bring out our formal attire.... "Look! He sent me the most beautiful orchid!"....At last midst tears and joyful smiles, seniors receive their diplomas "Doesn't our school seem empty without them?" underclassmen complained during Senior Week....and the school year ends as we look forward to a summer of fun.

With Spring these boys bring out their golf clubs and start to practice their strokes and swings. On their way to the golf course are Bill Moreland, Del Wiggins, Hugh Edgmon, Ronnie Lee, and Kim Stonaker.

SEMINOLE DEFEATED BY NORMAN

On September 11, the Seminole Chieftains played host to the highly rated Norman Tigers and were defeated 39-0. The Chieftains, in their second year under Coach Phil Ball, gained yardage impressively, but failed to cross the goal line.

CHIEFS ROMP OVER OKMULGEE

In their first away game of the season, the Chieftains bounced back from their previous loss to Norman to defeat the Okmulgee Bulldogs, 22-6.

The Chieftains opened the game with a 64 yard punt return and from that time on it was Seminole's game.

CHIEFTAINS STOMP HOLDENVILLE

The Holdenville Wolverines gained an early lead over the Chiefs and held it until the latter part of the third quarter. The Chieftains then scored quick touchdowns and marched on to a 28-18 victory!

SEMINOLE OVERPOWERS COMMANDOES

The Chiefs, after trailing 12-7 during the first half, came from behind to score 21 points in the second half, and defeat the Cascia Hall Commandoes.

Seminole, in its muddiest game of the year, played a near perfect offensive game during the second half, and kept the Commandoes from scoring by bone-crushing play.

CHIEFTAINS TRAMPLE DURANT

On October 9, the Chiefs traveled to Durant where they posted an easy 36-14 conference victory over the Lions.

The Chieftains scored on the first three times they gained possession of the ball, and had very little trouble controlling the remainder of the game.

CHIEFS PLUCK HENS

The Chieftains, playing as if they were at a track meet, raced by the hapless Henryetta Hens 40-0 in another conference victory.

The Chieftain defense played its best game of the year, nearly outscoring the offense by posting 18 of the 40 points.

The Chieftains fought hard but were overpowered by the onslaught of the mighty Ada Cougars.

SEMINOLE SLAUGHTERS WEWOKA

The Chieftains mixed a crushing ground attack and an effective passing attack to defeat the Tigers 26-8 in one of the Chiefs' finer games of the season.

SEMINOLE LOSES TO SHAWNEE

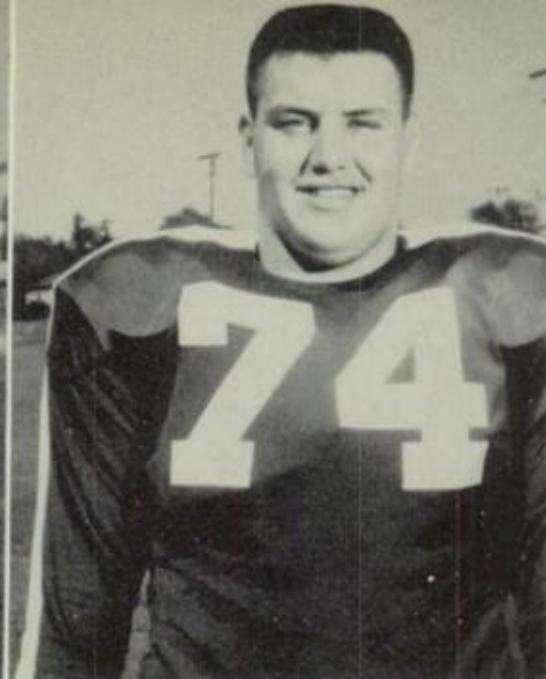

The Shawnee Wolves slipped past the Chieftains 40-25 in a very chilly, wintry game. The fleet-footed Wolves dashed past the Chieftains with the aid of a very severe case of fumbleitis on the part of the Chieftain backfield. It was the third loss of the season for Seminole.

BUFFALOES SNEAK BY CHIEFS

The McAlester Buffaloes sneaked a 6-0 victory by the Seminole Chieftains in the final game of the season for both teams.

This game was the deciding factor of who would share the conference crown with Ada. The defeat gave our Chieftains a 6-4 record for the season of 1959.

This Is Our Legacy To You.
The 1960 Chieftain Staff

Time Marches On....

Regardless of how this yearbook may be judged, it is to be understood that the events and memories recorded herein represent only a few of the many facets of our lives.

It was the intent of the 1960 Chieftain staff in preparing this yearbook to provide a tangible memory that will be forever meaningful to the students of Seminole High School.

Time marches on. Many of us will never meet again, but although we go our separate ways, we will have these moments to remember.

To the SENIORS OF 1960 we would say, "Graduation is not the end but the commencement of learning and life."
